

Call for Participants toward the 6th Asia Pacific Youth Parliament for Water

1. The Asia Pacific Youth Parliament for Water

The Asia Pacific Youth Parliament for Water (APYPW) is a gathering of youth delegates representing different countries within the **Asia Pacific region**. The APYPW is to **bring a diversity of young voices** together toward **global water issues** and in the process encouraging them to deeply ponder and **investigate pragmatic solutions** for water-related challenges that are confronted today.

By offering a variety of programs and activities from international conferences, **replicating congressional actions**, young delegates of each country will **increase their awareness on water problems, strengthening their youth networks** to address the environmental crisis.

2. General

Participants: Undergraduate and graduate students in the Asia Pacific region

* Including students on leave of absence.

* Foreign students studying in Korea are welcome to participate.

Date: 14th(Mon.) ~ 17th(Thu.) August 2017 (3 nights 4 days)

Venue: UNIST (Ulsan National Institute of Science & Technology), Republic of Korea

* Participants are provided with meals and dormitory accommodations during the period.

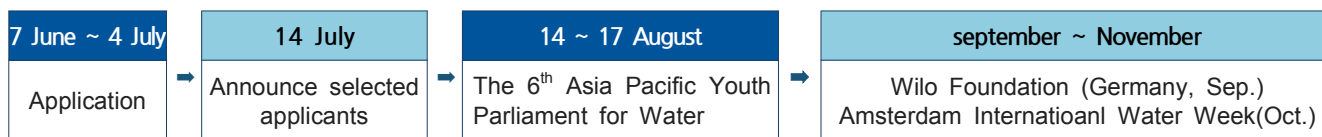

3. Programs

Discussion on how to solve the water crises that the Asia Pacific region faces

Special lectures, Conversations between experts and youth

Site visit, Water related sports, Social networking
